READING WITH YOUR CHILD!

Did you know the best thing you can do
is read with your child. 15 minutes a
day can go a long way in fostering the
love of reading in your son or daughter.
Try these quick reading activities with
your children:

- License to read – On car trips,
make it a game to point out and
read license plates, billboards,
and interesting road signs.
Singling out the letters they
know is also a great idea.
- Swap evening TV for a good
action story or tale adventure
with your children.
- Going somewhere where there
might be a long wait? Bring
along a snack and some favorite
books.
- Too tired to read aloud? Listen
to a book on tape.
- Take your child to the library and
let him/her pick out books they
love.

HAPPY BIRTHDAY!
